

Mike Thornburg

President of Select Products, Inc. and Ole Shed Brewing Company

- Select Products, Inc. is a family owned and operated packaging company based in Manchester TN. established in 2008.
Moved to the area in 1989 with Createc Corporation a custom foam molder of expandable polystyrene and propylene.
I've been in the foam and corrugated packaging industry since 1982 where I started in Portland IN. and moved around the country installing new facilities for Createc.
- Ole Shed Brewing Company is based in Tullahoma TN. We brew a number of craft beer and distribution in Tennessee, Alabama and Mississippi.
Started out home brewing about 20 years ago brewing 5 gallon batches and grow it into a 15 barrel brew house (465 gal) per batch selling in three states.
